

INSURANCE LETTER

While we do not formally endorse any insurance company below is a list of options for you to carefully review and consider:

http://www.worthavegroup.com/ipad?gclid=CIWEu_GY_KUCFYbb4AodtjbVmg

<http://us.protectyourbubble.com/gadget-insurance/ipad-insurance/>

I urge you to review the links above carefully to be sure it provides the coverage you are interested in purchasing. We have no affiliation with or have any data that allows us to endorse one company over another. We are providing this as information only for you to consider. If you decide to purchase a plan we would like to know what you went with in the end and why for our edification. Thank you
If you have any questions we are always available.
