SCHOOL FOOD SERVICE DEPARTMENT**

**MEAL PLANS**

Dear Parent or Guardian:

The School Food Service Department will provide your child with complete, well-balanced, nutritionally wholesome meals during the 2008-09 school year. Besides the special of the day, there are alternatives that may be substituted for the daily special.

We offer a pre-payment plan as follows:

10 <i>elementary</i> school lunches	\$22.50
10 <i>secondary</i> school lunches	\$25.00
10 <i>secondary</i> and <i>elementary</i> school breakfasts	\$15.00

We are certain that your child will appreciate the convenience of stepping up to the counter and being served without delay or a monetary transaction.

Students in the same family will not be able to share a pre-payment plan.

Please fill out this form and return with your check(s) made out to Roslyn UFSD School Lunch Fund to your school(s). Any unused funds will rollover to your child's account for the next school year.

Thank you,

*Betsy McLoughlin*
