SUMMER ACTIVITIES FAIR**

**Tuesday, December 1, 2009  
7:30 - 9:30 pm RHS**

ORGANIZATION NAME	PROGRAM DESCRIPTION
Abbey Road Programs	Our mission is to develop summer immersion programs for high school students that facilitate cross-cultural understanding and enrichment by providing a unique opportunity for cultural immersion, intensive language study, exposure to new academic subjects, travel excursions, recreational activities, personal growth, and building life-long friendships.
Adventures Cross Country	Adventure travel for teenagers around the world through leadership, service and culture immersion.
American Collegiate Adventures (ACA)	American Collegiate Adventures (ACA) offers a unique combination of college-level courses, exciting weekend adventures and unmatched activity options. ACA offers programs throughout the U.S., Europe and Central America.
American Trails West	Spend this summer exploring the world with American Trails West one-of-a-kind teen tours. ATW Teen Tours offer two, three, four, five and six week teen tours. Explore the East Coast, travel across the USA, experience the grandeur of California and Canyon Country, or journey to Canada, Alaska and Hawaii. Our European Teen Tour visits England, France, Switzerland and Italy. ATW Teen Tours has 11 different action-packed itineraries to choose from for Summer 2010.
ASA Programs	From Barcelona to Berkeley, ASA's pre-college and cultural immersion programs balance expert instruction, scheduled activities, travel and freedom to foster greater independence and personal growth. Return home with greater insight into yourself and the world around you.
Big Brothers/Big Sisters	Big Brothers Big Sisters is the oldest, largest and most effective youth mentoring organization in the United States. We have been the leader in developing positive relationships that have a direct and lasting impact on the lives of young people. The Big Brothers Big Sisters Mission is to help children reach their potential through professionally supported, one-to-one relationships with mentors that have a measurable impact on youth.
Broadreach and Academic Treks	Broadreach offers unsurpassed experiential summer adventures for teenagers including scuba, sailing, multi-sport and wilderness programs that span the globe. Our academic adventure and community service division, Academic Treks, also offers hands-on marine biology, language immersion and community service expeditions that qualify for college credit. Since 1993, we've taken thousands of teenagers to some of the world's most incredible destinations in over 30 countries including the islands of the Caribbean, Australia, Fiji, Egypt, Central and South America, China, France, Canada and the Red Sea.
The Bryant Library	Summer internships and community service opportunities available.
Canteen Roads	Participate in a variety of engaging activities in our specially designed program of outdoor adventures, cultural encounters and exhilarating experiences. Overnight travel Monday through Friday, three or six week programs with optional seventh week.
Career Explorations	Career Explorations helps motivated students stand out through our customized internship programs. You'll spend four-weeks living with other students from around the world while exploring a career interest through an internship or one of our career workshops in either New York City, Boston, Chicago, or San Francisco. You'll also enjoy all the city has to offer through our evening and weekend activities and events.
Columbia University Summer Program for High School Students	Academic two session summer program with courses in New York City, Barcelona and Jordan.
Evolve Tours	Evolve Tours is the answer for teens looking for trips with action-packed itineraries. We run a broad spectrum of trips year-round; from snowboarding and surf camps to outdoor eco-adventures and community service programs. We want teens to step away from the norm and experience an inspirational tour. We also respect the countries and communities which we visit. We are committed to constantly evolve with environmental and social consciousness.
The Experiment in International Living	A non-profit summer abroad program that for over 75 years has supported thousands of students from across the U.S. as they explore the richness of other cultures. The Experiment offers 3-5 week programs in 28 countries in Africa, The Americas, Asia, Europe and Oceania. Programs may include a homestay, ecological adventure, the study of art, community service, intensive language training and travel.
Global Routes	A rich blend of community service, adventure travel, cross-cultural exchange and language immersion sets Global Routes apart as a pioneer in the world of value-driven, experiential-based, international programming for high school, gap year and college students. We believe that an authentic, fun and impactful program abroad is one that is directed by service, deepened through immersion, broadened by adventure and contextualized by highly trained and caring staff. Since 1986 over 10,000 volunteers have partnered with Global Routes throughout Asia, Africa, Central and South America.
Global Works	Global Works offers two to five week summer service-based global adventure travel for teens. Our programs provide opportunities that foster personal growth and promote social and cultural awareness for students and the communities they serve. Our international travel programs encompass service projects, outdoor adventures, cultural exchanges and language immersion in Central and South America, Europe, China and the South Pacific.
Habitat for Humanity/Nassau County	There are many ways you can become a volunteer for Habitat for Humanity. Community Service opportunities available. Habitat for Humanity in Nassau County (HFHNC), established in 1990, is a local non-profit (501(c)3) affiliate of Habitat for Humanity International. We are an ecumenical organization that seeks to address affordable housing needs specifically to deserving Nassau County families.

**Roslyn High School  
SUMMER ACTIVITIES FAIR**

**Tuesday, December 1, 2009  
7:30 - 9:30 pm RHS**

ORGANIZATION NAME	PROGRAM DESCRIPTION
iD Tech Camps	iD Tech Camps offers summer technology programs for ages 7-17 at prestigious universities across the country including NYU, Columbia, Vassar and Princeton. Also available are intensive teen programs in game design, film and programming. Students learn video game creations, graphic design, programming, robotics, web design and more in a fun and hands-on learning environment with small classes and knowledgeable instructors.
Intern Exchange International	Intern Exchange International enables students to choose a career that interests them, from archaeology to law to public relations, and then work side by side with professionals in that field. Get that college edge and build your resume.
Internship Connection	Summer and gap year internships for high school and college students in New York City and Boston.
Julian Krinsky Camps and Programs	Our programs are held in an atmosphere of fun and friendship. They span the arts, sports, fitness and pre-college experiences to provide students with stimulating opportunities for personal development and growth. We believe each student is unique; therefore we are dedicated to maximizing individual talents, strengths and abilities. We firmly believe that we are inspiring students to be the leaders of tomorrow.
Maine Golf and Tennis Academy	Students from all 50 states and 40 countries live at a sleepaway camp and receive professional quality, high-tech, state-of-the-art golf and tennis instruction with traditional camp life.
Make-A-Wish Foundation of Metro New York	The mission of the Make-A-Wish Foundation is to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy. The Metro New York chapter, which serves the five boroughs of New York City and Nassau County, Long Island began in 1983 and is headquartered in Lake Success with a field office in Manhattan. Since its founding, the Metro New York chapter has granted more than 7,800 wishes. In Fiscal Year 2009, the chapter touched the lives of 766 wish children and their families by granting a record number of 510 wishes of local children and by facilitating 256 wish assists for children who reside in other areas, but whose wishes took place in New York - that's one wish every 11 hours, making Metro New York one of the most active chapters in the national network of 65 Make-A-Wish chapters across the country.
The March of Dimes (Long Island Division)	The mission of the March of Dimes is to improve the health of babies by preventing birth defects, premature birth and infant mortality. Team Youth involves high school volunteers in the March of Dimes. Team Youth ensures young volunteers have access to : age-appropriate and mission-relevant health education information; community, state and national leadership opportunities; and customized fundraising activities that are fun and rewarding.
Musiker Summer Discovery Programs	Academic enrichment and travel on various college campuses within the United States and overseas. The finest in pre-college enrichment, college admissions prep, internships and community service.
Nesiya Institute	Through a six week journey in Israel, Nesiya inspires young people from diverse backgrounds to enrich Jewish life for themselves and others. Nesiya programs bring North American and Israeli youth face to face with the richness and complexity of Jewish life – and with each other – through a unique model of experiential learning that combines community building, creative study, the arts, outdoor adventure, and community service.
North Shore Animal League	Volunteers, 16 years and older, assist us with many tasks. Students work with the puppies, cats and kittens. They clean cages and show the animals to potential adopters and give them the pertinent information about the animals. Volunteers may also be asked to help behind the scenes, in the grooming department and with administrative tasks. We ask for a commitment of four hours a week for one year.
NYU Tisch School of the Arts Summer High School Program	During the summer the Tisch School of the Arts offers high school students the chance to participate in intensive training either in New York City, Dublin or Paris. Through these programs students gain an enriching and enlightening experience. In each of our four-week programs, students are enrolled in rigorous and highly structured college-level courses taught by our full-time faculty. Upon successful completion of the summer program, students earn six college credits, all fully accredited New York University courses. Programs of Study include: Drama, Dramatic Writing, Film, and Photography in New York (High School), Drama and Film in Dublin (High School), Drama in Paris (High School)
Overland	Overland offers students hiking, bicycle touring, writing, service, environmental study and language study opportunities in the world's most beautiful places. We travel throughout the United States, Canada, Europe, Costa Rica and Peru. Our trips are active experiences that provide challenge, fun and friendship and teach leadership skills. There are never more than 12 students in a group and there are always two adult leaders. Our small group size gives our groups an unparalleled opportunity to become close working teams. Overland's trips are carefully crafted to be both challenging and supportive. Every Overland trip is well within the ability of a reasonably fit, highly motivated young person.
Oxbridge Academic Programs	Academic summer study abroad programs for grades 8-12 in England, France and Spain.
The Putney School Summer Programs	Summer academic workshops in the visual arts, performing arts, creative writing, or farming, sustainability and horsemanship.
Rein Teen Tours/Rein Community Service	Rein Teen Tours offers students 3-6 week of travel throughout the United States, Canada, Hawaii, Alaska and Europe. Rein Community Service offers three 3-4 week programs: Project Hawaii, Project California and Project Indiana. A variety of service projects are offered that include volunteering with children, animals, or helping to protect the environment.

**Roslyn High School  
SUMMER ACTIVITIES FAIR**

**Tuesday, December 1, 2009  
7:30 - 9:30 pm RHS**

ORGANIZATION NAME	PROGRAM DESCRIPTION
The Road Less Traveled	The Road Less Traveled is known among parents and student travelers for high quality, creative trips to remarkable destinations. We offer adventurous expeditions, global perspectives programs, language study and community service learning programs for teenagers 13-19. We travel within the U.S. & Canada, Alaska, Hawaii, Panama, Costa Rica, Guatemala, Ecuador & Galapagos Islands, Peru, Spain, Norway, Bhutan, Tanzania, Namibia and India.
Rustic Pathways	Rustic Pathways is a 27 year-old organization offering community service, adventure and language immersion in Asia, The Americas, Africa and the South Pacific for students.
Sail Caribbean	Teen sailing, scuba and community service program for 12 to 21 days in the British Virgin Islands and Leeward Island. Live and cruise aboard 50' yachts challenged by watersports, marine biology and leadership adventures.
SAAST (UPenn Engineering)	The School of Engineering and Applied Science at the University of Pennsylvania invites highly motivated and talented high school students to apply to participate in our three-week Summer Academy in Applied Science and Technology (SAAST).SAAST gives students the chance to take their interest in science and math to the next level and apply it to cutting-edge technology in <b>Biotechnology, Computer Graphics, Computer Programming, Nanotechnology, and Robotics</b> . Our five rigorous, intensive SAAST courses give high school students an advance look at the learning experience they can expect in college. Combining sophisticated theory with hands-on work in our world-class laboratories and culminating in independent projects, SAAST challenges students to work harder, smarter, and more creatively than they ever have before. Every SAAST course carries college credit from Penn, and includes exciting site visits to industry and government, enabling students to see technology at work in the real world.SAAST students live on Penn's beautiful campus in historic Philadelphia, and enjoy a taste of college life at its best: intellectually engaging coursework along with numerous recreational, social, and cultural activities.Surrounded by like-minded peers from across the country and around the world, SAAST students will
SeaTrek BVI	SeaTrek BVI's summer camp at sea programs offer jr. high, high school and college age students an opportunity to learn Sailing, Diving and Marine Science. SeaTrek BVI offers real discovery and adventure programs aboard 45-foot sailing catamarans incorporating high technology, customization and extensive staff training to provide a superior experience. We offer a variety of marine science programs; water sports activities, island hikes and cultural interaction. A limited number of scholarships are available.
Service Learning in Paris & Barcelona	Now in its 12th year, Service Learning in Paris and Barcelona (July 4-31, 2010) moves students every weekday afternoon into the dailyness of French and Spanish culture through service work; in addition to twice-weekly art history presentations, service placements are complemented by mornings of intensive language study and an integrating seminar (the Idea of Frenchness/The Idea of Spanishness) that analyzes the history and social norms students face in their work and daily encounters.
Sid Jacobson JCC	Sid Jacobson JCC offers teenagers many different program options during the summer, including Counselor-in-Training programs at Camp Jacobson at Robin Hood in Old Westbury and Summer Streeters in East Hills; the award-winning Community Service Summer Experience for high school students to participate in a travel program that combines social awareness with recreational trips and activities; Summer Stock theatre program; the Maccabi games for athletes; and an end of the summer Alternative Vacation program. In addition, internships are available in marketing, public relations and education. Financial assistance is available for all programs.
Special Olympics NY: Long Island Region	The Special Olympics lives by the words: "Unity, Acceptance, Empowerment, Dignity, Courage, Strength, Pride, Confidence and Fun." Volunteer for Special Olympics New York. The life you change may be your own. Our volunteer pool is dedicated and diverse. Involvement with Special Olympics creates pride, lifelong friendships and rewards of immeasurable value. Volunteers are an important part of a global movement that provides athletes with intellectual disabilities the excitement, joy and personal fulfillment associated with sport training and competition.
Student Hostelng Program	Student Hostelng Program (SHP) is the outstanding teenage bicycling program in the United States, offering bicycle touring trips and multisport outdoor travel adventures through the countrysides and cultural centers of the world. Our groups are small, usually 8 to 12 trippers and 2-3 leaders, making possible a close and rewarding group experience. SHP groups travel by bicycle, at their own pace and close to the land, using public and private transportation when necessary. Groups live simply, using campsites, hostels, and other modest facilities. In the countryside, groups buy food at local markets and cook their own meals. In cities, restaurants are often used.
Summer Institute for the Gifted (SIG)	The Summer Institute for the Gifted (SIG), a non-profit organization, has provided Gifted and Talented students with superior programming on the most prestigious campuses in the country since 1984. SIG offers traditional summer fun and challenging academics to provide an ideal experience to nurture the talents of gifted children.
Summer Study Programs	Summer Study creates exciting pre-college summer programs for high school and middle school students. We sponsor programs at the finest facilities, including the fabulous "Big Ten" campus of Penn State University, the breathtaking Rocky Mountain campus of University of Colorado at Boulder, the quaint New England charm of University of Vermont and the greatest city of the world with "all-suites" hotel lodging at The Sorbonne in Paris, France.
Syracuse University Summer College for High School Students	Summer College for High School Students at Syracuse University offers six week programs in Acting and Musical Theater, Architecture, Engineering and Computer Science, Fashion Design, Forensic Science, Law, Liberal Arts, Public Communications and Writing. Two week programs include Education, Interior Design, Management and Studio Art.

**Roslyn High School  
SUMMER ACTIVITIES FAIR**

**Tuesday, December 1, 2009  
7:30 - 9:30 pm RHS**

ORGANIZATION NAME	PROGRAM DESCRIPTION
Tennis Europe	Gain match experience in spectacular settings! Tennis: Europe takes junior players, 14-18 years of age, to tennis circuits in Europe, North America and Australia. Improve your mental approach and strategy while seeing the world and making asting friendships through sport. Travel, gain a cultural education and practice your foreign languages. Fifteen different itineraries from 11-27 days.
ThrillCoaster Tours	Our mission is to provide teenagers with the most exciting summer filled with memories that will last a lifetime. This is more than just a Teen Tour, we like to call it a Teen Vacation! Think about it, we really provide to your teens the vacation of a lifetime, with non-stop action!
Town of North Hempstead	The TONH Co-op/Internship Program not only offers an upfront view of government at work, but also provides a unique hands-on experience for students. The Town strives to engage students' capacity for rigorous analysis and independent thought within a wide range of experiences and endeavors. Students have the chance to work at Town Hall or at one of our other locations throughout the Town. Students who participate in the Co-op/Internship Program typically alternate periods of part-time work with periods of full-time, on campus study.
Travel for Teens	Travel For Teens believes that teen travel should be both fun and enriching. Our programs feature choices of things to do, see and experience. Our programs stay in each location we visit long enough to give you the chance to try on a new lifestyle and culture with your friends, living the life of a native. We offer Hidden Europe, Thailand, Africa, Australia, New Zealand and Fiji to be lived, absorbed, and remembered - with access unavailable to the public and unobtainable as a tourist. We have crafted our unique programs to engender love for travel, hunger for learning, curiosity about differences, recognition of universalities, and an appreciation for global citizenship.
Visions Service Adventures	Visions programs blend service work, intercultural discovery and challenging exploration in Alaska and Montana native communities, the British Virgin Islands, Dominica, Dominican Republic, Ecuador, Guadeloupe, the gulf of Mississippi, Nicaragua, Peru and Vietnam. Co-ed groups live in the heart of host communities for up to four weeks. Ages 14-18. Some programs offer spanish or french language immersion.
Weissman Teen Tours	"We're family, not just another teen tour." Action-packed, culturally-oriented travel program for teens, personally escorted by owners, Ronee, Eugene, Ilan or Adam Weissman.
Westcoast Connection/360 Student Travel	27 YEARS AGO, Westcoast Connection – Teen Travel Experiences began with the goal of using exciting, memorable travel to enlighten and inspire teenagers and to enhance their understanding of themselves along the way. And even more important in today's global community is the need for teens to travel beyond the classroom and away from home. By moving outside their comfort zone, our tour members experience different cultures and new adventures that encourage self-development. 360° Student Travel is dedicated to providing diverse and exciting, active experiences through Community Service, Language Programs, Adventures and Pre-College Enrichment.
Where There Be Dragons	For fifteen years, Where There Be Dragons has pioneered unparalleled small-group learning adventures in Asia, Latin America and Africa. Through off-the-beaten-path travel, home-stays, language study, service, and remote wilderness exploration, Dragons provides an honest and authentic survey of culture, landscape and development issues in the world's most intriguing locales. Summer programs are for students fifteen and up. For gap year students, Dragons also offers three-month semester programs in the Himalayas, China, India, West Africa, the Andes and Amazon, and our new "Life Along the Mekong" course.
Windsor Mountain International	<b>Our philosophy:</b> <u>Take risks</u> : A hallmark of our approach to student travel is the freedom we allow our leaders in making spontaneous changes to any given itinerary in response to the daily needs of the group and to new opportunities as they present themselves. <u>Learn respect</u> : At Windsor Mountain, we strive to honor the thoughts, feelings, and contributions of each individual that becomes a part of our community. <u>Become responsible</u> : Traveling and living with a group means contributing proactively to the day-to-day work that keeps the group operating smoothly. <u>Enjoy a simple lifestyle</u> : Windsor Mountain students live and travel simply. Everything necessary for complete participation in our programs can easily fit into a travel backpack and daypack.
World Horizons International	Since 1987, World Horizons International (WHI) has offered community service trips for teens. With locations in Costa Rica, Dominica, Ecuador, Fiji, Iceland, Israel, Italy, England and domestic locations, WHI has been successful in establishing local contacts in our foreign locations allowing our participants to blend cultural immersion with hands on volunteer work for a rich and rewarding experience!
YMCA at Glen Cove	The YMCA of Glen Cove, Long Island is a charitable, not-for-profit, community based organization dedicated to improving the quality of life of children, adults and families through programs that build spirit, mind and body. We seek student volunteers who are interested in people and want to make a difference.
Youth For Understanding	Youth For Understanding (YFU) is a non-profit international educational organization with programs in 64 countries. One of the world's oldest, largest, and most respected exchange organizations, YFU has exemplified excellence in exchange worldwide since 1951. More than 240,000 students and their host families have benefited from YFU exchanges worldwide. Whether the impact of globalization will be for better or worse - whether it becomes a threat or an opportunity - depends on how the next generation responds to its challenges. Youth For Understanding is uniquely positioned to empower and prepare young people to rise to these challenges in the 21st century.

## Late Additions to the RHS SUMMER ACTIVITY FAIR

ORGANIZATION NAME	PROGRAM DESCRIPTION
<b>ACTION QUEST</b>	For over 30 years, ActionQuest has been providing worldwide adventure programs for teenagers with certification training in sailing and scuba diving with water skiing, wind surfing and marine biology. Through hands-on experiential learning and adventure travel, ActionQuest has successfully ignited the inherent leadership skills within thousands of young adults.
<b>COW HOUSE STUDIOS / ART on the FARM</b>	Cow House Studios' focus is on the emerging art student who is seeking a rewarding experience based on the visual arts. We are proud to offer the only international teen summer art program in Ireland. During this multidisciplinary three-week course, young artists benefit from an environment dedicated to fostering professional arts practice in a country long celebrated for its artistic inspiration. Participants develop their existing abilities, are challenged to experiment beyond their creative boundaries, learn new techniques and investigate different approaches in a variety of media, including <i>drawing, painting, photography and digital media</i> . <b><i>During Art on the Farm, students complete excellent portfolio pieces for advanced placement and college applications.</i></b>
<b>ISLAND HARVEST</b>	<b><i>"Fighting Hunger and touching lives,"</i></b> Island Harvest – Long Island's largest hunger relief organization – serves as the bridge between those who have surplus food and those who need it. Volunteers are the backbone of Island Harvest. Our dedicated and indefatigable volunteers perform a wide range of important tasks: working on major food campaigns such as the Summer Food Blitz, assembling Weekend Backpack Feeding Program food packs, persuading food businesses to donate food, picking up and delivering supplies, assisting with fundraising events, and contributing accounting skills and office tasks. Become inspired and join other volunteers who share the vision that no one on Long Island should go hungry when we have the resources in the community to help them.
