

*Roslyn Middle School*  
**Summer Reading 2022**  
*For students entering Grade 6*

Dear Fifth Grader,

Your sixth grade teachers at the Roslyn Middle School are eager to meet you in September and to spend the school year working with you. In preparation for sixth grade, your English teacher would like you to read *When Stars Are Scattered*, by Victoria Jamieson and Omar Mohamed. During the first weeks of school, students will be involved in seminars and other activities and assessments centered around the novel.

Please keep track of the following information:

- Main character's name and names of other important characters
- What was the greatest challenge faced by that main character?
- How did the character handle that challenge?
- Are there lessons that a middle school student could learn from the way the main character handled his or her challenge?
