

ROSLYN MIDDLE SCHOOL ENGLISH DEPARTMENT

SUMMER READING 2022

FOR STUDENTS ENTERING GRADE 8

Dear Student,

Reading is both enjoyable and vital to your development as a learner and individual, and the summer months often provide a more relaxed opportunity to pursue some worthwhile titles. As a student about to enter the English 8 class in September, you are required to read Laura Schroff and Alex Tresniowski's powerful and moving work of non-fiction, *An Invisible Thread*. As you read, be sure to take notes on the book, focusing on essential literary elements and author's techniques. It is imperative that you do this so as to gain meaning and insight from this unbelievable true story and to think about its connection to your life and to the world in which we live. Not to mention, taking thorough and accurate notes will also help you remember the story when you return to school.

Please know that during the first weeks of school, students will be involved in seminars and other activities and assessments centered around the book.

NOTE: If you are interested in doing some **additional** reading on your own over the summer, here are some titles recommended by the Eighth Grade team:
