

Contact Information

For more information about Roslyn High School's Research Program, please contact Dr. Allyson J. Weseley

- aweseley@roslynschools.org
- (516) 801-5170

Dr. Weseley (Ed.D. – Columbia, 2003, Ed.M. – Harvard, 1993, AB – Princeton, 1989) has coordinated Roslyn High School's Research Program since 2000, mentoring hundreds of students including some of the top winners in the Intel Science Talent Search, Intel Science and Engineering Fair, Siemens Competition, and Young Epidemiology Scholars Competition. She and her students have published their work in a number of peer-reviewed journals including *Current Psychology*, *Sex Roles*, and

Pediatric Cardiology. Dr. Weseley serves on the board of several local research fairs and has presented and published extensively on the topic of student research.
