

New for 2019-2020:

College Board will be launching big changes in 2019-2020 for AP!

- All AP class students will be able to join an online version of their AP Course where teachers assign homework, quizzes and more! (Including access to Khan Academy resources designed for AP!) All for Free! All using College Board vetted materials including test questions!
- Students will no longer need to bubble in personal information on exam materials on exam day; instead students will have personalized materials pre-made!
- **New Registration Deadlines:**
 - Yearlong AP Courses: **Exam Registration Deadline will be late October**
 - Spring Only Semester AP Courses: **Deadline late February (Grade 12 AP Macroeconomics Only)**

Resources and Supports for AP

Designed to motivate students and improve the AP classroom experience

The image displays two main categories of resources and supports for AP:

- Instructional Resources:**
 - AP Question Bank
 - Unit Guides
 - Unit Tests
 - Performance Dashboards
- Ordering and Administration Supports:**
 - Digital Activation
 - Streamlined Ordering
 - Personalized Labels

- All students will 'Join' their online AP Group section via MyAP at <http://myap.collegeboard.org> with a class specific Join code obtained from their AP teacher at the start of the school course.
- From this MyAP website, students will complete the College Board registration profile that will allow pre-printing and personalization of exam materials.
- Students will need to submit payments separately (i.e. through the APTS site that your school has already been using to collect fees.)
- New fee structure from College Board:
 - **\$40 fee to cancel** after November 15, and no cancellations after March 13.
 - There is a **\$40 LATE fee** for registering between November 15 and March 13.
