- I. The minutes of the September 29, 2014 meeting were reviewed and approved.
- II. The lockdown drill held in October went smoothly. All students stayed in rooms with doors locked and doors covered. At the conclusion of the drill, all teachers handed in attendance to ensure every student was accounted for during the drill.
- III. The PACT program is a huge success again this year. The next parent meeting will be held on December 1, 2014. Mrs. Bauer will hold a workshop on Go Math Home Resources. The meeting will take place at East Hills.
- IV. New Business:
 - Student Council has been asked to connect with Community Service about the possibility of a bottle drive.
 - There is now a yogurt machine in the cafeteria. The company that provides the yogurt will be contacted for a list of ingredients. Some parents expressed concern that their children were getting stomach aches.

Respectfully submitted,

Jessica Thorn
