Dr. Martin Luther King, Jr. Scholarship Fund

ROSLYN HEIGHTS, NY 11577

December 2019

Dear Roslyn Friend and Neighbor:

Our graduating seniors will leave Roslyn High School in a few months and begin their post-secondary education. For some students, a successful future will depend on the financial support offered by our local scholarship funds, which have been generously supported by the community for many decades.

Since the Roslyn High School Scholarship Fund was established in 1965, hundreds of Roslyn graduates have been assisted with their post-secondary education. Many students, even those who have received other forms of financial aid, have found that these Roslyn High School Scholarship need-based grants have made a significant difference. The ever-increasing costs for private and public colleges, and reductions in financial aid at all levels, have made the situation for needy students even more precarious.

Scholarships have also been provided to Roslyn graduates through the support of the Dr. Martin Luther King Scholarship Fund, established in 1981. This Fund, which honors the memory and ideals of Dr. King, helps students who exhibit strong character as well as financial need to supplement their financial aid and realize their dreams of higher education.

Over the years, residents of our community have donated to these Funds annually. Parents of seniors have made donations in honor of their graduates. Others have made the Funds a beneficiary in their wills or in memory of loved ones. Student, parent, and staff organizations as well as civic, fraternal, and charitable associations have included the Funds on their donation lists. Businesses with roots in our community have also lent their support.

We hope you will support the Class of 2020. These students need the financial vote of confidence our community can give them.

Sincerely,

Roslyn High School Scholarship Committee
and Dr. Martin Luther King Scholarship Committee
