Dear Roslyn Families,

As we head into winter recess, I want to take a moment to recognize the dedication and hard work of our students, families, faculty, and staff. On behalf of the Board of Education, thank you for making our schools a supportive and thriving learning environment.

This break is the perfect time to relax, recharge, and reflect on all the wonderful things happening in our schools. I encourage you to visit the [Roslyn School District](#) website to explore the remarkable successes, activities, and learning experiences which make our schools so special.

Wishing you all a wonderful winter recess filled with appreciation for the people who make our community so exceptional.

Sincerely,

Allison Brown
Superintendent of Schools
