

Allison Brown
Superintendent of Schools

August 30, 2024

Dear Roslyn Families,

Welcome back to a new school year! I'm so excited to see the faces of our students as they arrive on the first day of school, **Tuesday, September 3, 2024**. I can't wait for everyone to explore our new academic offerings and see the district-wide upgrades we've implemented.

I invite everyone to embark on this new year with enthusiasm, determination, and a shared commitment for the success of our students. I encourage you to stay actively engaged in your child's educational experience by attending parent-teacher conferences, participating in school events, and maintaining open communication with teachers and administrators. Your support and involvement are crucial to our success, and I am deeply thankful for your partnership.

Throughout the school year, we'll keep you informed with updates, event notifications, and important information through our communication channels. If you have any questions or concerns, please don't hesitate to reach out—we're here to support you and your child every step of the way.

For the first few weeks, I ask for your patience as the transportation department manages several dozen new bus routes. Our bus drivers are excited to meet their new riders and will need a little extra time to greet and get to know them. **Please know that any delays will be temporary.**

On behalf of the Roslyn Board of Education and the entire faculty and staff, I wish you and your family a fantastic school year ahead!

Sincerely,

Allison Brown
Superintendent of Schools
