**Superintendent of Schools**

March 27, 2024

Dear Roslyn Families, Faculty, and Staff,

I am pleased to announce that Cindy Samide has been appointed the new Director of Pupil Personnel (PPS) and Special Education Services. She will assume the responsibilities of the position on October 1, 2024, when our current director, Barbara Schwartz, retires.

Ms. Samide has been with the Roslyn School District since 2014. She currently holds the position of Assistant Director of PPS & Special Education, coordinating all aspects of special education at the elementary school level, working closely with the director to support the overall department needs.

Her dedication to inclusive education and her proven leadership in fostering partnerships between parents, educators, and the community make her an exceptional choice for this role and we are confident in her ability to continue our legacy of excellence and to further enhance the resources available to our students and families in our district.

Please join me in congratulating Cindy on her new position.

Sincerely,

Allison Brown  
Superintendent of Schools
