Dear Roslyn Families,

The first week of school is always a time of anticipation and adjustment for students, faculty, and staff. This year was no exception, and I am thrilled to report that it has been a resounding success. The energy and enthusiasm I have witnessed throughout our schools have been truly inspiring.

Our dedicated administrators, teachers, and support staff have worked tirelessly to create safe, welcoming, and engaging learning environments for our students to return to, and I want to extend my heartfelt thanks to them for their steadfast commitment to our students' success.

I am also immensely proud of our students. Their enthusiasm for learning and their willingness to challenge themselves is a testament to their character and determination.

Our parents and guardians have played a crucial role in this success as well. Thank you for entrusting us with the education and well-being of your children.

Once again, thank you for your continued support and partnership. I look forward to the many achievements and successes that this school year will bring.

Sincerely,

Allison Brown
Superintendent of School
