Dear Roslyn School Families and Staff,

I'm sending this letter to ensure that you are aware that tomorrow, **October 4, 2023**, FEMA will be conducting a test of the nationwide emergency alert system. At approximately **2:20PM**, a test message will be sent to all televisions, radios, and cell phones.

Since this is taking place during school hours, and in some cases coincide with school dismissal time, I wanted to assure you that there is no cause for alarm and the test message will not impact the regular school/work day. There is no action that you need to take when you receive the message.

Thank you for giving this your attention.

Sincerely,

Allison Brown  
Superintendent of Schools
