The New York State Public High School Athletic Association sponsors the Scholar/Athlete Team Award. To earn a team award, a required number of varsity athletes in each varsity sport must have their season's report card averages combined for a team average. If that average is 90% or greater, the NYSPHSAA declares the team a **state scholar/athlete team**. Each athlete receives a NYSPHSAA scholar/athlete award pin. We are pleased and proud that these Fall Varsity teams received this award this Season:
