SCHOLAR/ATHLETE TEAM AWARD

The New York State Public High School Athletic Association has been sponsoring the Scholar/Athlete Team Award Program since 1991. To earn a team award, a certain required number of varsity athletes in each varsity sport must have their season's report card averages combined for a team average. If that average is 90% or greater, the NYSPHSAA declares the team a **state scholar/athlete team**. Each athlete on a scholar/athlete team receives a NYSPHSAA scholar/athlete award pin. We are pleased and proud that these Winter Varsity teams received this award this season!
