Dear Athletic Director,

The New York State Public High School Athletic Association's Scholar-Athlete Team Award Program has been created to recognize outstanding scholastic achievement by varsity level student athletes. We are pleased to declare your school a recipient of this award for the Winter 2019 sports season. We are also very excited to be able to award the individuals who received a 90 or above individual average, whose team did not qualify for the team award. Lastly, enclosed are the certificates for the Scholar-Athlete teams. If you received pins at the Athletic Director workshop, please take this note as congratulations! If not, also enclosed are the pins for the individuals who qualified.

Pupil Benefits Plan, Inc., our sponsor, joins the NYSPHSAA in recognizing the academic performances you have reported to us.

Congratulations! We look forward to your continued participation in our program. Best wishes for athletic and academic success for the remainder of the 2018-2019 school year.

Sincerely,
