Dear Athletic Director,

The New York State Public High School Athletic Association's Scholar-Athlete Team Award Program has been created to recognize outstanding scholastic achievement by varsity level student athletes. We are pleased to declare your school a recipient of this award for the Winter 2020 sports season. We are also very excited to be able to award the individuals who received a 90 or above individual average, whose team did not qualify for the team award. Lastly, attached with this letter are the certificates for the Scholar-Athlete teams. In these unprecedented times, with access to our office prohibited by NY PAUSE, we felt the best method for distribution this year was via email. If you received pins at the Athletic Director workshop, please take this note as congratulations! If not, they will be shipped when we are allowed back in the office.

Our sponsors Pupil Benefits Plan, Inc. and the American Dairy Association North East joins the NYSPHSAA in recognizing the academic performances you have reported to us.

Congratulations! We look forward to your continued participation in our program. Stay Well.

Sincerely,

Robert Zayas
