Dear Athletic Director,

The New York State Public High School Athletic Association's Scholar-Athlete Team Award Program has been created to recognize outstanding scholastic achievement by varsity level student-athletes. We are pleased to declare your school a recipient of this award for the Winter 2021 sports season. We are also very excited to be able to award the individuals who received a 90 or above individual average, whose team did not qualify for the team award. Lastly, enclosed are the certificates and pins for the Scholar-Athlete teams/individuals.

Pupil Benefits Plan, Inc., and the American Dairy Association North East, our sponsors, join the NYSPHSAA in recognizing the academic performances you have reported to us.

Congratulations! We look forward to your continued participation in our program. Best wishes for athletic and academic success for the remainder of the 2020-2021 school year.

Sincerely,

Dr. Robert Zayas
