SCHOLAR/ATHLETE TEAM AWARD

The New York State Public High School Athletic Association has been sponsoring the Scholar/Athlete Team Award Program since 1991. To earn a team award, a certain required number of varsity athletes in each varsity sport must have their season's report card averages combined for a team average. If that average is 90% or greater, the NYSPHSAA declares the team **a state scholar/athlete team**. We are pleased and proud that the following Winter Varsity teams received this award this season!
