Dear Roslyn Families,

As we welcome the blossoming forsythia that signals spring, I extend warm greetings to everyone in our amazing community.

There are many milestones that I look forward to celebrating with you in the next few months, including our *Names, Not Numbers* Roslyn High School student documentary premiere on May 1st, our Roslyn Middle School Art Show opening at Bryant Library on May 2nd, our middle school graduation on June 13th, our elementary school moving up ceremonies on June 14th, and the graduation of the Class of 2024 on June 21st.

I encourage you to explore our website at www.roslynschools.org, where you'll find a collection of accolades, performances, and celebrations that have taken place over the course of the school year. Our students have already accomplished so many amazing things!

Finally, one more reminder that due to our snow day this past February, the previously scheduled Memorial Day Friday holiday, May 24, 2024, is now a full school day for all students, faculty, and staff. This is necessary to ensure that our students receive the full instructional time required by the state.

I hope you have a happy and restful spring recess!

Sincerely,

Allison Brown
