

## A MESSAGE FROM THE BOARD OF EDUCATION

Dear Roslyn Community,

We are pleased to present the Roslyn School District 2022-2023 Budget. The Board of Education and Central Administration worked diligently to craft a responsible spending plan that meets instructional requirements and is sensitive to current events and the economic climate. With a most thoughtful approach, this budget sustains our high-quality academic standards, supports our athletic, music, art, and extra-curricular programs, enhances cyber security measures, supplements health and wellness initiatives, and continues necessary capital improvements while remaining well below the permissible tax levy limit.

We addressed new issues with comprehensive programs and partnerships for K-12 wellness, upgraded our wireless infrastructure, and enhanced our college preparatory strategies. We expanded our STEM and Business programs at every level, including robotics in our elementary schools and BizLIFE at the Middle School. We completed an upgrade to our high school science classrooms and labs and installed a state-of-the-art Anatomage Table that will provide new academic pathways for pre-med and science research. Always innovating, we look forward to further expanding our business program by installing a contemporary real-world Bloomberg Finance Lab on campus with classes starting this fall.

Enrollment increased exponentially throughout the district over and above one of the largest kindergarten classes in years. Clearly, the word is out that the Roslyn School District is the destination for an exceptional K-12 education on Long Island. We remain committed to delivering the high-quality programs that attracts families to our beautiful community.

Our efforts represent the lowest fiscally responsible budget possible, while properly providing for our educational program. The proposed property tax levy increase of 2.48% is below the tax cap limit of 3.70%, with a budget increase of 2.93%. More detailed information about the Roslyn School District Proposed 2022-2023 Budget can be found on the District website. We encourage you to review these materials and vote on **Tuesday, May 17, 2022**.

Sincerely,  
President Meryl Waxman Ben-Levy  
Roslyn Board of Education
