

Allison Brown
Superintendent of Schools

May 23, 2024

Dear Roslyn Families,

As the long Memorial Day weekend approaches, I would like to take this opportunity to remind you that **Friday, May 24th**, is a regular full school day due to the snow day from last winter. Monday, May 27th, and Tuesday, May 28th, our schools will be closed.

As we embrace the joys of warmer weather, the reopening of beaches and pools, the arrival of barbecue season, and the festivities of long weekends spent relaxing with loved ones or traveling, let's take the time to pause and contemplate the significance of Memorial Day. This special day is dedicated to honoring the brave men and women who gave their lives in active military service. Let's take this opportunity to impart to our children and remind ourselves that our cherished ideals of freedom and liberty, which define our American society, are sustained because of the profound sacrifices made by these heroes.

Please also take the opportunity to review safety rules and procedures for bike riding, swimming, boating, and other outdoor activities with your children to avoid injuries.

On behalf of the Board of Education, I wish everyone a safe, meaningful, enjoyable, and restful Memorial Day weekend. We look forward to celebrating the end-of-school-year activities and the milestones of our children when we return to school on Wednesday, May 29th.

Sincerely,

Allison Brown
Superintendent of Schools
