

ROSLYN SCHOOL DISTRICT

SNOW CLOSING & DELAYED OPENING GUIDELINES

In the case of inclement weather, (or other unforeseen emergencies) the Roslyn School District will exercise good judgment to determine whether schools will transition to remote instruction or a full closure. The information below details the school district's approach to school closings, delays, and early dismissals.

Schools Closed

The first snow day of the school year will result in a complete shutdown of the district, as we believe it's important to continue the tradition of a snow day. No after-school activities will occur on days when schools are closed. The decision to cancel school may occur the night before a storm, or in the early morning, based on the weather forecast.

Delayed Opening (Two-Hour Delay)

The district may determine that school can open with a two-hour delay, based on road conditions. (see chart below for delayed start times)

- Students who use school bus transportation should be at their assigned bus stop two hours later than normal.
- Students who walk should plan to arrive at their school two hours later than the normal arrival time.
- Students will be dismissed at their regular dismissal time at the end of the day.

| <u>SCHOOL</u> | <u>TWO-HOUR DELAYED START TIME</u> |
|----------------------|---|
| Heights | 10:55AM |
| Harbor Hill | 10:05AM |
| East Hills | 10:55AM |
| Roslyn Middle School | 9:35AM |
| Roslyn High School | 10:00AM |

Delayed Remote Opening (Two-Hour Delay)

If we need to implement a second snow day (or more) the district will go remote with a two-hour delayed opening, ***as long as the area isn't experiencing a loss of power.*** (see chart above for two-hour delayed start times)

Remote days allow us to preserve the school year calendar as planned, but the calendar is always subject to change in case of emergency.

Early Dismissal

Dismissal time is determined based on weather and is communicated to families as soon as possible. No after school activities occur on early dismissal days.

Snow Closing Notifications

Email/Text/Phone

Roslyn School District will send notifications to all staff and parents/guardians regarding school closings and delays via email, text, phone, and our mobile app. Every school district family is automatically signed up to receive these notifications via our Powerschool platform. **It is very important that families keep their information current in the system.** [Click here to verify or update your information.](#)

Website

A pop-up notification will appear on the Roslyn School District website, notifying the school community of any school closings or delays.

Local Media

Snow closings and delays are communicated to local media including: News 12 Long Island, Eyewitness News (Channel 7), WALK, KJOY, MAX FM, THE SHARK, and WHLI.
