

Allison Brown
Superintendent of Schools

February 11, 2025

Dear Roslyn Families,

I am writing to share a heartfelt announcement about the upcoming retirements of three esteemed administrators in our district. Roslyn High School Assistant Principal Carol Murphy will retire on August 31, 2025; Roslyn High School Principal Scott Andrews will conclude his service on November 26, 2025; and Roslyn Middle School Principal Craig Johanson will retire on December 31, 2025.

These educators have made significant and meaningful contributions to our district and we are grateful for their years of dedicated service. Each one of them has been instrumental in shaping the lives of students, supporting our families, and leading the school community with heart and commitment.

Since their retirements have been anticipated for some time, please be assured that we are already actively working to find exceptional candidates who will continue our tradition of providing learning experiences that inspire academic success and cultivate confidence, resilience, hope, and optimism in our students. Our goal is to ensure a smooth transition while providing the high-quality leadership, education, and support that our students, families, and staff deserve.

As they prepare to embark on this new chapter in their lives, please join me in wishing Carol Murphy, Scott Andrews, and Craig Johanson a happy and healthy future. We are thankful for their years of service and wish them all the best in retirement!

Sincerely,

Allison Brown
Superintendent of Schools
