POLICY 8505

The Board of Education recognizes that on occasion, students may forget to bring meal money to school. To ensure that students do not go hungry, but also to promote responsible student behavior and minimize the fiscal burden to the School District, the Board of Education will allow students who may forget meal money to “charge” the cost of meals to be paid back at a later date subject to the terms in this policy.

The School District operates and maintains a point of sale system for the purpose of providing parents/guardians of students enrolled in the School District with the ability to fund school meals. Students/Parents/Guardians may pay for meals in advance via www.scholarconnect.com or with a check payable to *Roslyn UFSD Lunch Fund*. Further details are available on our webpage at www.roslynschools.org. Funds should be maintained in accounts to minimize the possibility that a child may be without meal money on any given day.

The School District’s point of sale system allows for automatic replenishment when a balance reaches a certain amounts set by the parent/guardian of the student. The School District will encourage parents/guardians of students in the School District to avail themselves of this option. The School District shall not charge any interest or fees in connection with any meals charged. Nothing in this policy is intended to allow for the unlimited accrual of debt.

When a student ceases attendance in the School District and/or graduates from the School District, upon the request of the parent/guardian, the School District will refund any funds remaining in the student’s account to the parent/guardian. Parents/guardians may request that said remaining funds be transferred to one of their other children who remain enrolled in the School District.

Students whose parents or guardians have unpaid school meal fees shall not be shamed or treated differently than a student whose parent or guardian does not have unpaid school meals fees. To that end, the School District shall provide each student with the student’s meal of choice for that school day of the reimbursable meal choices, if the student requests one, regardless of unpaid

As part of its efforts to decrease student distress or embarrassment connected with unpaid meal charges, the School District shall not:

- e. discuss any outstanding meal debt in the presence of other students.

To comply with State guidelines and to maintain a system for accounting for charged meals, regarding both full and reduced-price meals and to establish a procedure for handling unpaid meal charges, the Board of Education shall:

1. allow only regular reimbursable meals, defined as items on the menu, excluding extras and snacks, to be charged;
2. all charges not paid before the end of the school year will be carried forward into the next school year;
3. notify parents within seven (7) days of outstanding charges; and
4. use a computer-generated point of sale system, which identifies and records all meals as well as collects repayments.
5. provide parents with an opportunity to establish a repayment schedule for outstanding meal charges;
6. determine eligibility for free or reduced-price meals when a student owes money for five (5) or more meals. The School District shall:
 - a. make every attempt to determine if a student is directly certified to be eligible for free meals;
 - b. make at least two attempts, not including the application or instructions included in a school enrollment packet, to reach the student's parent or guardian and have the parent or guardian fill out a meal application; and
