January, 2021

Dear Parents and Students of the Class of 2022,

It is time for the Counseling Center to turn its attention to the juniors as we support them through the college application process. In order to schedule a junior conference, all students **MUST RETURN THE FORMS LISTED BELOW PRIOR TO SCHEDULING THE JUNIOR CONFERENCE.** They are as follows:

1. Junior Parent Questionnaire
2. College Planning Worksheet
3. Complete and print out the Resume - please use the templates on the Roslyn Counseling Center website

Upon completion of all of the items listed above, please have your child bring his/her paperwork to the Counseling Center, or email them to Ms. Duval at [sduval@roslynschools.org](mailto:sduval@roslynschools.org). After the paperwork is submitted, please call the Counseling Center at 801-5120 to schedule a junior conference. **Please note that appointments will not be scheduled until all the paperwork is submitted. Conference appointments will begin on February 3, 2021.**

**Due to our unique circumstances this year, please note that all conferences will take place via Zoom. When you schedule your appointment, please schedule it on a day that the student is learning remotely.**

The college search process and post high school planning are very exciting. The Counseling Center is looking forward to assisting you in exploring the many options available. Our goal is to gather as much information as possible in order to inform the counselors and simplify the process.

We look forward to sharing this exciting time with you.

Sincerely,

*Gwyeth Smith*

## JUNIOR PARENT QUESTIONNAIRE

*The counselors have enjoyed getting to know your child through the years. However, we have found that parental input in the college process is uniquely valuable. Please complete the following questions. Be funny. Be serious. Be honest. Be proud. The better we know your child, the better our ability to help guide him/her throughout the college process.*

*We also encourage you to attach additional anecdotes. The information you provide will give us greater insight into your child's personal history and future aspirations. Thank you for sharing.*
