## CAVEATS, EXPLANATIONS, AND DISCLAIMERS

All data is taken from the institution's 2019-2020 Common Data Set except where otherwise noted.

Additional admission plan data taken from Common App Requirements Grid

We have made every effort to include all institutions that offer an Early Decision admission plan.

We attempted to contact each institution whose 2019-2020 Common Data Set was not publicly available. Some do not use the Common Data Set or similar database, and a few refused to share their data. These are noted in the Source column as "data unavailable" or "data request denied." Others who have not responded to our requests are left blank in this chart.

To compute "Percent of Class Filled From ED," we assume 100% ED enrollment because these figures are generally not reported in the Common Data Set. The actual number of ED enrolled at each institution may be lower.

Early Action data is not reported in the Common Data Set and is rolled into Regular Decision data within this chart.						
The information in each institution's Common Data Set is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found, please let us know at <a href="mailto:information.bigj@gmail.com">information.bigj@gmail.com</a> . If verifiable numbers are required, we suggest that you contact the institutions directly.
