Junior Parent Questionnaire

The counselors have enjoyed getting to know your child through the years. However, we have found that parental input in the college process is uniquely valuable. Please complete the following questions. Be funny. Be serious. Be honest. Be proud. The better we know your child, the better our ability to help guide him/her throughout the college process.

We also encourage you to attach additional anecdotes. The information you provide will give us greater insight into your child's personal history and future aspirations. Thank you for sharing.
