At LICM, children discover their passions and their relationship to the world we share. The 40,000-square-foot museum welcomes nearly 275,000 visitors annually. The private, not-for-profit institution, offers museum-based educational programs and cultural experiences, as well as an extensive community outreach program offered in schools, libraries and youth centers across Long Island. Additionally, the Children's Museum operates the historic Nunley's Carousel in association with Nassau County, one of three intact Stein & Goldstein carousels still in existence.

LICM is accredited by the American Alliance of Museums (AAM), recognized as the field's gold standard for museum excellence and signifies a museum's quality, credibility and deep commitment to mission and community. Less than 3% of the nation's more than 30,000 museums have earned this recognition. LICM is currently the only children's museum in NY State, and just one of 16 nationwide, to achieve accreditation.
