

Allison Brown
Superintendent of Schools

April 1, 2025

Dear Roslyn Families,

As you know, we build make-up days into our school calendar each year in preparation for winter weather or other emergency closings. Due to the fact that we didn't need to close school for any weather/emergency purpose, along with the low likelihood of needing to use a contingency day, I'd like to share an important update regarding the school calendar:

- **Friday, May 23, 2025** – Schools will be closed for all students and staff
- **Tuesday, May 27, 2025** – Schools will be closed for all students and staff

These changes will remain in place unless an unforeseen circumstance requires us to close prior to Memorial Day Weekend. We appreciate your support and flexibility. As always, please feel free to reach out with any questions.

Sincerely,

Allison Brown
Superintendent of Schools
