Assistant Principal

March 26, 2019

Dear Parents/Guardians of Students in Grades Three, Four and Five:

According to the guidelines of the New York State Education Department, we will administer assessments in English Language Arts and Mathematics to students in grades three, four and five. The tests will measure each student's progress toward achieving the learning standards established by the State. The East Hills teachers will administer these tests to our students according to the following schedule:

<u>Assessment</u>	<u>Administration Dates</u>	<u>Grade Levels</u>
ELA	April 3 rd and 4 th	3, 4, 5
Math	May 1 st and 2 nd	3, 4, 5

These tests will be administered in the mornings in their classrooms, unless otherwise specified. If you must schedule medical/dental or any other appointments, we ask that you try not to schedule these on the testing days.

Children respond best when they are calm, relaxed, and well rested. If your child is ill on a testing day, makeup tests will be administered. However, we are hoping for maximum pupil attendance during the regular testing period.

We will make every effort to ensure that we maintain a test environment in which your child can do his/her best. If you have questions, please feel free to contact your child's teacher or the Main Office.

Sincerely,

Melissa Krieger
