

# Roslyn High School

Department: Special Education

## **SPECIAL EDUCATION SUPPORT CLASS**

### **OBJECTIVES:**

- To directly teach study strategies (which will help students with their performance in mainstream classes.)
- To provide instruction to strengthen weakness.
- To improve organizational and time management skills.
- To teach self-advocacy

### **SELECTED SKILLS:**

1. Help students to generate notes from textbooks and lectures.
2. Reinforce textbook reading strategies
3. Establish calendars for completion of long and short-term assignments.
4. Proofread written work
5. Build techniques to aid memorization of academic material.
6. Continue to improve research techniques.

### **GRADES:**

Students are graded on a pass/fail basis. The grade will be based on effort and participation.

**Credit:**                     $\frac{1}{2}$  per year
