D R A F T ROSLYN UNION FREE SCHOOL DISTRICT BOARD OF EDUCATION GOALS 2015-16					
Administration	Curriculum & Instruction	Business	Community	Facilities	Technology
1. To develop, communicate and implement a plan to transition the leadership positions related to the Central Office including responsibilities related to curriculum and human resources.	1. Develop and enhance the Foreign Exchange/Cultural Exchange program including the establishment of a home stay program and the expansion of a foreign exchange summer experience with other countries 2. Enhance Project Lead the Way program at the elementary and secondary level to introduce, encourage and sustain enrollment adjusting the continuum based on student interest and ability. 3. Evaluate the rigor of curriculum and the support for the English ninth grade honors for all programs to ensure student success. 4. Research and implement further internship opportunities for Roslyn High School students 5. Expand and publicize the Roslyn Career Center website 6. Enhance and support equity opportunities for all students by maintaining standards of excellence within supportive environment. 7. Identify relational aggression and address comprehensively and proactively 8. Encourage the enhancement of the high school's virtual course catalogue to further attract students to the diverse offerings and opportunities for study	1. To find ways to continue to cooperate with other school districts to reduce operational costs 2. To build the 2015-16 budget to closely reflect the actual revenues and expenditures 3. To refine and restate the five year financial plan including the use of reserves and compliance with the tax levy limit 4. To effectively manage the ever rising costs of health insurance and the impact it has on the District	1. To support community-based organizations through a collaboration of community and administrative efforts 2. To encourage the cooperation of other government agencies for the mutual benefit of our common taxpayers including but not limited to our local villages, the Town of North Hempstead, the Town of Oyster Bay and the State 3. To further enhance the District's use of digital communication in an effort to keep our constituents better informed about school district news and or emergencies	1. Create and maintain Construction Implementation Plan (CIP) for all buildings that include all health and safety standards and temporary solutions. 2. To create and maintain a system of communication that efficiently keeps the school community informed about ongoing construction projects 3. Aesthetically maintain and improve our buildings and grounds to provide a pleasing and safe environment outside of the capital projects 4. To continue to develop and implement clear security protocols for monitoring and managing our properties	1. Continue rollout of approximately 25 additional iPads along with interactive whiteboard solutions at the elementary level in each building 2. Develop and set up the following technology labs: MAC Video Lab at HS, yearbook Lab at HS and Project Lead the Way Lab at MS 3. Install second floor security cameras at elementary schools and other locations as needed 4. Evaluate off-site recovery solutions for the maximum security of our data 5. Utilize PowerSchool to digitize elementary report cards and grades 6. Identify and begin the process to digitize Human Resources
