The screenshot shows a web browser window displaying the 'STUDENT PORTFOLIO' page. The page has a dark header with the title 'STUDENT PORTFOLIO' and a 'Select An Assessment' button. Below the header are navigation links: 'Home', 'NYS Assessment Reports', and 'School Reports'. The 'NYS Assessment Reports' link is highlighted in green and circled in red. A red arrow points from the text above to this link. Below the navigation links is a 'District Message' section with a list of links for 'ELA' (2014-2015, 2013-2014), 'Mathematics' (2015-2016, 2014-2015, 2013-2014), and 'Science' (2014-2015). The message text explains that students in Grades 3-8 were administered the New York State assessments in English Language Arts (ELA) and Mathematics, and students in Grades 4 and 8 also took the assessment in Science. It states that these reports indicate a child's results for each of these tests and that the results are used as a source of information for instructional planning. It also mentions that individual students whose scores indicate a need for improvement (Performance Levels 1 and 2) will be offered extra assistance. The message is signed 'Sincerely, Allison Brown, Superintendent'. At the bottom of the page, there is a section titled 'DON'T HAVE ADOBE ACROBAT READER?' with a 'DOWNLOAD' button and a 'POWERED BY:' link.
